SPEAKING

Mia loves to share and she loves to testify. If you have ever heard her sing, you may have noticed that sharing her heart in-between songs is a great joy and a natural part of what she does.

Telling the miracle story of redemption in her life is not only a joy, but as she sees it, her responsibility.

Mia's lessons focus specifically on Biblical trust, forgiveness and obedience. If you have a retreat or event, invite her for the day or weekend to speak and teach.

She is also willing to develop new topics based on your event theme. Just ask!

"Since God has done a great work in my life, it is my joy and responsibility to tell people."
